OUTSOURCED TRANSCRIPTION – SERVICE BENEFITS

COST EFFECTIVE

Accentus' outsourced transcription services enables healthcare organizations to increase workflow efficiencies and reduce administrative overhead to significantly reduce transcription costs.

QUALIFIED TRANSCRIPTIONISTS AND EDITORS

Accentus has a comprehensive three step training program and a rigorous and ongoing gating and quality assurance process to ensure that we recruit and maintain a superior transcription team to serve our clients.

TRANSCRIPTIONIST SELECTION

Accentus works closely with each client to define a transcriptionist profile and staffs accounts according to client requirements.

DEDICATED CLIENT CARE

Accentus provides a team of professionals to support each account. An account manager acts as a single-point-of-contact and heads up a team of dedicated transcriptionists and editors, team leads, quality auditors, and IT resources to ensure maximum client success.

ADHERENCE TO SERVICE LEVELS

Accentus will contractually adhere to client defined turn-around-times, quality metrics, and production targets.

A STRONG COMMITMENT TO QUALITY

Accentus has developed and maintains a rigorous quality assurance (QA) program. Each QA program is customized to incorporate the QA standards of individual clients.

COMPREHENSIVE REPORTING

Accentus provides several levels of reports giving clients access to detailed data for trending, forecasting, and on-going planning.
